

SEPTEMBER 2023 EDITION

# ToughTimes

Nothing about Us, Without Us, Is for Us

**Dear Allies to end poverty and homelessness,**

**THANK YOU** for your service on the front lines  
to fight poverty and homelessness in Peel Region.

**Tough Times - SEPTEMBER EDITION** - is a digital publication with limited print copies. **QR Codes to articles and support services** that matter to both people experiencing poverty, and their networks, are easy to use and share.

Our neighbours have free public access to bandwidth in or near your locations.

As before, in delivering our 2012-2020 Tough Times newspaper, PPAG requests the help of our allies and community partners:

**Please post a “Display Copy” in Peel Region food banks and food security hubs, shelters, libraries, Open Hubs, community centres, union halls and other public municipal spaces. QR code: front/back.**

**Please load an image of [ppag.media](https://ppag.media) QR code on your device, so you can easily share Tough Times publications and support services information available through PAEH - Peel Alliance to End Homelessness.**

Our friends' stories, and insights, can help us each inform Peel's Transition Board to ensure - as Bill 112 promises - harm will not befall even vulnerable residents.

**PPAG and PAEH demands of Peel Region Council on March 25, 2023:**

***“Work harder to end homelessness NOW. Enact Housing First!  
To begin: Address all barriers to access on-line care supports.”***
